Dear N.C. State Bureau of Investigation,
cc: U.S. District Court, Chief Judge William Osteen Jr.,
501 Industrial Drive,
Greensboro, NC,

Sorry about my emotional remarks in my last letter. I will be professional in this letter which the U.S. Court will receive a copy of same day.

I request that you inform the ~~state~~ court and U.S. Attorney that your crime laboratory reports are legally inadmissible under N.C. criminal statute Article 7C, Admissibility of Forensic Evidence §3-58.20. The Rockingham County former District Attorney Phil Berger Jr. violated paragraphs (d) and (e) of the statute by keeping the laboratory reports a secret by refusing to serve me, Brian Hill, a copy of the crime lab report as required by Art. 7C, and allowing me to file an objection as stated in paragraph (e). Then Berger Jr. intended to skirt the law by conspiring with the Mayodan Police to file the ~~the~~ state reports with the U.S. Attorney Dimple Band in order to try to indict me with illegal evidence without allowing me to file an objection. Berger Jr. did this knowing I was a political threat to his father NC Senator and Mayodan Attorney Philip Edward Berger Sr. and has campaign career. Detectives Todd Brim and Robert Bridge conspired to have me set up with child porn by violating state crime lab policy and procedure.

My false Confession Should Be
Suppressed
I declare under penalty of perjury that the
foregoing is true and correct.

Executed on October 5, 2014:

Brian David Hill

Statement:

Brian D. Hill

1. The confession was involuntary on August 29, 2012 due to the threat by Mayodan Police Chief Charles Caruso.
2. I was also coerced by the detectives and police chief into the confession.
3. The police detectives were informed of my mental issues such as my mild autism before my confession.
4. It is a fact that people with Autism can give false confessions and misleading statements to law enforcement. That is why it is not appropriate to interview a suspect with autism alone without an advocate present.
5. I was coerced by the detectives to say I was sexually attracted to 12 y.o.'s to 13 y.o.'s. That is not the truth. I sexually prefer Asian women.
6. When I heard the audio of my confession, I noticed some of the things I remembered in pieces of what the detectives said to me was not in the audio file at all. I suspect the audio file may have been altered in some way. I told the detectives of being into women over 18 from what I think I can remember then they told me "your sexual preference was 12 to 13 years old."

HAND WRITTEN
COPY

Dear Clerk of the Court,

I wish to file a lawsuit on former Rockingham Co.
District Attorney Phil Berger Jr. for violating
NC Article 7C § 8-58.20(d).

I need to know what form I need to file the
civil claim. I am also indigent and disabled.

Berger Jr. violated paragraph(d) by failing to
serve me a copy of the state forensic crime lab-
oratory report and affidavit, before forwarding it
to U.S. Attorney Ripley Road to use against me in
a criminal proceeding. Because I was not served
the report I could not file a objection to the
report as stated in paragraph (e).

All of the ~~state~~ state crime lab reports are inadmissible
and should not have been used in criminal case
United States of America vs. Brian David Hill, docket#
1:13CR435-1.

The remedy I seek is that the state withdraw
their crime lab reports as evidence in my federal
case.

I like a response as soon as possible please. Sincerely,
Oct. 4, 2014.

Brian D. Hill
